

TABLE OF CONTENTS. VOLUME XXVII.

EDITORIAL.

EUROPEAN CHRONICLES — I, 95, 193, 277, 375, 483, 565, 697, 795, 895, 1005, 1125	Disease by the Method of Bacelli" 898
Foreign Conception of the American Profession..... 1	The International Congress of Hygiene and Demography.. 899
Tubercular Immunization..... 3	Dr. Marmoreck's Anti-tubercu- lous Vaccine.....1005
Dr. Garnault's Tubercular In- oculation 5	The 19th Annual Report of the Bureau of Animal Industry.1008
Antiseptic Surgery..... 6	The Eighth International Vet- erinary Congress.....1011
Rabies 95	Veterinarians in the Academies of Medicine.....1125
Tuberculous Ulcerations of the Stomach in Animals..... 193	Examining Horses for Sound- ness1127
The French College of Horse- Shoeing 197	A Chair of Deontology.....1128
Dr. Physalix's Prophylactic Treatment for Distemper... 198	A Debt Repaid.....1129
Antiaphthous Serotherapy.... 277	Still Advancing in New Jersey. 8
Aseptic Veterinary Surgery... 282	Veterinary Correspond- ence Schools..... 9
Traveling Scholarships..... 283	Foot-and-Mouth Disease 10
Terebrating Epithelioma..... 284	"A Lesson from America"..... 11
Serotherapy and Foot-and- Mouth Disease..... 375	North Carolina's New Law.... 11
War on Tuberculosis..... 378	McGill to Close its Veterinary School 100
Bicarbonate of Soda in Sur- gery 380	The Horse Show Season..... 101
Prevention of Lockjaw..... 381	Activity in Veterinary Legisla- tion 102
The Superior School of Horse- Shoeing Again..... 483	The Ottawa Meeting of the A. V. M. A..... 199
Registration of Horse-Shoers. 484	Another State Association Formed 201
European Quackery..... 485	Montana's New Meat Inspection Law 201
Teachers and Private Practice 486	Foot-and-Mouth Disease Eradi- cated 201
Veterinary Instruments..... 487	A State Commission of Animal Industry for New Jersey..... 285
Death of Prof. E. Nocard... 565	The Proposed Mutual Benefit So- ciety 286
Expressions on the Death of Nocard 697	Frank H. Miller's Paper on Ma- lignant Enzoötic Anæmia of the Dog..... 287
The Unity of Human and Bo- vine Tuberculosis..... 698	Two Men Dead of Glanders in New Jersey..... 287
Melanosis 700	Veterinarian Nelson Elected President of the Washington State Board of Health..... 288
Tannoform 701	Reports of Medical Society Meet- ings 382
A New Method of Anæsthesia. 703	The Veterinary Convention at Ottawa 384
The Automatic Physician.... 704	
A Monument to Prof. Nocard 795	
A Review of Three New Works on Veterinary Sur- gery 796	
Veterinary Education in Amer- ica and Europe..... 895	
"Diseases of the Trooper Horse" 897	
"The Experiments on Treat- ment of Foot-and-Mouth	

Foot-and-Mouth Disease Officially Declared Extinct in This Country	385	The Intercommunicability of Tuberculosis	803
The Ottawa Meeting of the A. V. M. A.	488	The Etiology of Azoturia. .901, 1012	
American Veterinarians' Mutual Aid Association.....	489	Retrospective	902
The September Veterinary Conventions	570	Dr. Lowe's Report to the New Jersey Sanitary Association...	902
Bovine Tuberculosis is Transmissible to Man.....	571	Scarlet Fever of Animal Origin. 903	
The Army Veterinary Service..	704	The Veterinary Medical Association of New Jersey.....	1014
Prosperity for the Veterinarian. 707		The Treatment of Periodic Ophthalmia	1015
St. Louis in 1904.....	708	The REVIEW's "Directory of Veterinary Medical Association Meetings"	1015
The Clinic at the New York State Meeting.....	709	Volume XXVII Closed.....	1130
Dr. Dougherty's Prize for Essays on "Forging".....	709	Merited Recognition by Congress	1132
A Righteous Conviction.....	801	Winner of the Dougherty Prize. 1133	

ORIGINAL ARTICLES.

The Recent Outbreak of Foot-and-Mouth Disease in the New England States. By D. E. Salmon	12	Purpura Hæmorrhagica. By J. W. Cook	209
Roup. By F. C. Harrison and H. Streit.....	26	Septicæmia and Pyæmia from a Meat Inspection Standpoint. By C. H. Jewell.....	213
Veterinary Dentistry. By Robert W. Ellis.....	43	Congenital Contraction of the Extensors in the Horse. By H. A. Vermeulen.....	218
Examining Horses for Soundness. By H. Fulstow	49	Peritoneal Filariasis in the Horse. By John J. Repp....	219
Acute Indigestion. By J. S. Butler	53	Laminitis. By James J. Joy....	221
Preliminary Report on a New Method of Preventing Milk Fever. By A. S. Wheeler....	57	An Experiment in the Use of Air and Oxygen in Checking the Course of Tuberculosis in Tuberculin-Reacting Cattle. By Veranus A. Moore.....	289
Observations on Country Practice. By S. H. Bauman.....	59	Veterinary Obstetrics. By W. J. Martin	301
Compressed Air in the Treatment of Ulcers and Fistulæ. By Arnott A. Adamson.....	62	Diagnostic Puzzles. By W. H. Gribble	321
Hæmorrhagic Septicæmia in Cattle. By S. D. Brimhall.....	103	Rabies or Hydrophobia. By H. F. Palmer.....	328
Gastroenterotomy, with Report of a Case. By J. Miller.....	117	A Disease of Cattle as Seen in South-Central Nebraska during 1899 and 1900. By A. Bostrom	331
Ulcerative Enteritis in the Horse. By G. L. Buffington..	124	Cysticerci in Wild Ruminants. By W. Reid Blair.....	386
Some Facts and Theories Regarding "Surra" and Ulcerative Lymphangitis. By Coleman Nockolds.....	129	The Influence of the Attitude of the Animal and the Physiological Activity of Organs upon the Relation of Parts. By W. L. Williams.....	396
Hæmorrhagic Septicæmia. By J. Black	202	Rabies. By A. J. Pistor.....	399
Eversion of the Uterus in the Mare. By A. Youngberg....	206		

Collargolum from a Clinical Standpoint. By W. E. A. Wyman	405	By E. Perroncito.....	821
Purpura Hæmorrhagica. By U. S. G. Bieber.....	409	Anthrax and Black-Leg. By C. H. Higgins.....	831
Malignant Enzoötic Anæmia of Kennel Dogs, due to Infection with Blood-Consuming Worms (Dochmius Trigonacephalus), the Clinical Homologue of Egyptian Chlorosis and So-called Tunnel-Worker's Disease of Man. By F. H. Miller	491	The Bang System for Eradicating Tuberculosis as Practiced at Pine Grove Stock Farm, Rockland, Ontario. By W. C. Edwards	835
Some Puzzling Cases in Cattle, Possibly Epizoötic Cerebro-Sheep and Young Cattle from One to Three Years of Age. By J. N. Gould.....	512	The "Crab" or "Forger." By "No. One," "No. Two," "No. Three," "No. Four," and "No. Five"	840, 963
Cerebro-Spinal Meningitis. By B. K. Dow.....	515	The Value of Antiseptics in Destroying the Virus of Rabies. By R. Price.....	843
Wasting Diseases Caused by Animal Parasites. By W. A. Knight	522	Wild Animals in Disease. By W. Reid Blair.....	847
Bovine and Human Tuberculosis. By D. E. Salmon.....	572	History of the Texas Fever Quarantine Line. By W. N. D. Bird	850
Veterinary Dentistry. By W. J. Martin	586	Pasteurelloses. By E. Nocard..	904
Report on Colleges and Education. By C. C. Lyford.....	594	Robert Koch and His Critics. By D. Arthur Hughes....	919, 1016
Poisoned from Eating Locust-tree Bark. By W. W. Gardiner	599	Meningitis in Horses, Cattle, Sheep and Swine. By L. B. Wilson and S. D. Brimhall	944, 1035
Tallianine. By H. Stassano and F. Billon.....	710	A Test of the Immunity of Treated Cattle against a Natural Exposure to Tuberculosis. By E. A. de Schweinitz and E. C. Schroeder	961
Echinacea in Veterinary Practice. By P. A. Fish.....	716	Intravenous Injections. By Walter F. Sykes.....	1054
Treatment of Coughs in Dogs and Horses. By D. E. Buckingham	727	Abortion. By M. H. Reynolds.	1062
State Boards of Veterinary Examiners. By T. B. Rogers and W. H. Lowe.....	733	Azoturia. By G. E. Corwin, Jr..	1071
The Uses and Abuses of Cathartics. By R. L. Tucker.....	739	Calcium Sulphide in the Treatment of Poll-Evil and Fistulous Withers. By Burt Raymond Wilbur	1134
Clinical Observations on Bursattee or Summer Sores. By L. Van Es.....	744	Immunization and Its Practical Application. By L. Van Es..	1140
Poisoning in the Dog. By W. J. Reagan	749	The Latest Observations and Experiments on the Transmission of Bovine Tuberculosis. By D. Arthur Hughes.....	1154
Stenosis following Amputation of the Penis. By A. H. Ide..	753	The Origin of Pulmonary Tuberculosis, and the Prevention of Tuberculosis. By E. von Behring	1161
Notes on the Clinical Examination of the Blood of the Domesticated Animals. By S. H. Burnett	804	Oxygen Treatment in Parturient Apoplexy. By Frederick R. Whipple	1165
A Question Relating to the Serum Therapy of the "Aphtha Epizoötica"—Its Actual State.		Nervous Goats of Tennessee. By Mark White, Jr.....	1167
		A Preliminary Report of the Treatment of Chronic Lamin-	

itis in Its Early Stages. By W. P. Hill.....	1169	Studies Upon Leucocytosis. By Drs. Stassano and Billon.....	1171
-------------------------------------------------	------	----------------------------------------------------------------	------

REPORTS OF CASES.

Some Interesting Cases Occur- ring in Practice. By J. H. Blattenberg	63	Fracture of the Ribs in a Horse. By Wm. Drinkwater.....	143
Rupture of Rectum and Vagina in a Mare during Parturition —Successful Treatment. By S. H. Bauman.....	64	Neurosis. By F. R. Whipple....	144
Obstruction of Bowels in a Horse due to Abscess in the Lumbo-Sacral Region. By S. H. Bauman.....	65	Clitoridectomy and Its Sequelæ. By Francis Abele, Jr.....	145
Traumatic Myocarditis in Cow. By C. E. Burchsted.....	67	Cases Occurring in Practice: (1) Fracture of the Humerus of Both Legs of a Horse; (2) Another Rare Shoulder Les- ion; (3) A Fractured Ilium Punctures the Vagina; (4) In- testinal Cases. By Drs. Muir and Elzinga.....	222
Congenital Tuberculosis. By H. B. Freeman.....	68	Embolism of the Pulmonary Ar- tery in a Horse. By J. W. Scott	225
Five Cases of Azoturia. By A. S. Brodie	68	The Serum Treatment in Pur- pura Hæmorrhagica. By J. H. McLeod	228
Successful Case of Tetanus Treated with Antitetanic Se- rum. By T. J. Menestrina....	69	What Is It? By I. A. Wynn....	229
Clinical Observations: (1) Rig- idity of the Cervix Uteri in a Cow, with Retention and De- composition of the Foetus and the Formation of a Utero-Ali- mentary Fistula; Enlargement of Os Uteri by Incision, Re- moval of the Recovery; (2) Rigidity of Cervix in a Cow with Putre- faction and Expulsion of Foe- tus through the Vagina; (3) Torsion of the Uterus in a Ewe, with Transverse Rupture of the Cervix, Putrefaction of the Foetus and its Sloughing through the Abdominal Walls, Recovery; (4) Irreducible Uterine Torsion in a Cow; (5) Torsion of the Uterus in a Cow, Reduction, Transverse Rupture of the Uterus, Death; (6) Torsion of the Uterus in a Mare, Death. By W. L. Williams	132	A Case of Traumatic Pericardi- tis in the Cow. By W. J. Rea- gan	231
Three Anomalies I have Met with in Castration. By J. R. Sanders	139	Three Cases of Choking. By Wm. Schumacher.....	232
Three Cases Showing the Use of Oil of Turpentine in the Treat- ment of Atrophy of the Shoul- der Muscles. By W. A. Heck	141	Lipoma of a Horse. By John J. Repp	233
		Parturient Paresis. By A. W. Baker	235
		Results of Four Operations for Cribbing. By J. H. McLeod.	235
		Dog Choked on Frozen Tallow. By Francis Abele, Jr.....	236
		Foreign Body in Cheek of Horse. By Francis Abele, Jr.	236
		Celosomian Monstrosity. By B. W. Flint.....	237
		Azoturia with Albuminuria. By F. F. Sheets.....	333
		A Mystery. By J. Harrison....	334
		Complete Prolapsus Vaginæ. By H. L. Ballenger.....	336
		Is Actinobacillosis in Michigan Cattle? By H. Haynes.....	337
		Cysticercus Bovis Infestation in a Steer. By J. Madsen.....	338
		Papillomatous Tumors in a Horse's Mouth. By S. Stewart	339
		Actinomycosis in a Cow. By John J. Repp.....	341
		Fracture of Seventh and Eighth Ribs in a Horse. By C. S.	

Baxter	341	of the Stifle in Horse. By Francis Abele, Jr.....	759
Atrophy of the Gluteal Muscles of a Horse Successfully Treated by Saturated Sodium Chloride Solution. By John J. Repp	342	Verminous Aneurism in a Six-Months-Old Colt due to <i>Strongylus Armatus</i> . By John J. Repp	760
Soft Fibroma of Circumflex Nerve of Aged Mare. By John J. Repp.....	343	Report of a Case of Fungosus Toxicum Paralyticus. By W. A. Swain.....	761
An Unusual Case of Parturient Paralysis. By C. F. Dawson..	344	Good Results from Barium Chloride Given by the Stomach. By H. S. Maxwell.....	762
Traumatic Pericarditis in a Cow By John J. Repp.....	411	Actinomycosis in Antelope. By W. Reid Blair.....	857
Injections for the Cure of Muscular Atrophy. By W. C. Hanawalt	412	Fibroma. By Theodore F. Krey	858
Two Interesting Cases in Horses. By J. H. Gain.....	412	Aplasia of the Left Superior Central Incisor in a Mare. By John J. Repp.....	860
A Neglected Case of Azoturia. By H. S. Maxwell.....	414	Rupture of the Pancreas in a Mare. By H. Thomson.....	861
Autopsy Summaries of Wild Animals. By W. Reid Blair.....	526	Two Cases of Loss of Hoofs following Bilateral Plantar Neurectomy for Navicular Arthritis. By John J. Repp.....	863
Rumenotomy. By J. N. Gould..	529	A Two-Headed Monstrosity. By W. H. Gilbert.....	864
Removal of Third Inferior Molar from Horse by Trephining and Repulsion. By John J. Repp	530	The Soda Treatment for Azoturia. By W. P. Hill.....	864
Artificial Urethral Opening. By J. N. Gould.....	531	Chronic Hypertrophic Simple Peritonitis in a Cow. By John J. Repp.....	967
An Interesting Obstetric Experience. By D. C. Nowels.....	531	Two Cases of Azoturia Occurring under Peculiar Circumstances. By E. B. Ackerman..	968
Accidental Puncture of the Urinary Bladder in a Bitch during Oophorectomy. By John J. Repp	532	Wholesale Poisoning of Cattle—What Was the Cause? By D. Gorsuch	969
Amputation of the Penis of a Gelding on Account of Paralysis. By John J. Repp.....	601	Mal-position of Penis in a Cryptorchid. By White and Plaskett	970
Verminous Bronchitis of Calves. By E. I. Smith.....	602	Hard Fibroma of the Nasal Fossa of a Horse. By John J. Repp	1074
More Experiences with Azoturia, Complicated by Paralysis of the Anterior Crural Nerve. By J. Harrison.....	603	Enzoötic Ophthalmia. By E. I. Smith	1075
Metrotomy in the Sow. By W. G. Huyett.....	604	Adeno-Carcinoma of the Kidney of a Hog. By John J. Repp...	1077
Soft Fibroma of a Bull's Penis. By John J. Repp	605	A Case of Fæcal Impaction of Long Duration. By E. F. Koehler	1078
Lactation in Male Lambs. By G. W. Butler.....	605	Successful Treatment for Rheumatism. By H. M. Stevenson.	1079
Maladie du Coit. By J. P. Foster	755	Verminous Broncho-Pneumonia in the Ass. By S. Stewart....	1174
Thrombosis of the Anterior Vena Cava in Cow. By W. G. Hollingworth	757	Puncturing per Rectum. By Z. W. Seibert.....	1177
Lesion of the Capsular Ligament		Fungosus Toxicum Paralyticus.	

By S. H. Swain.....1178	Muscles. By James Harrison..1181
Complete Rupture of Abdominal
